Bayles Lake – Lake Iroquois Fireworks

The Bayles Lake and Lake Iroquois fireworks show will take place on **Sunday, July 3, 9:00 pm**. Rain date will be July 4, same timeframe. The launch site will again be Skyline Drive/Newell Dam, the road that separates Bayles Lake and Lake Iroquois. New this year, we are adding music to this great event! A DJ will begin broadcasting his music from the beach house area about 7:30, playing all types of music and when the fireworks begin, he will switch over to patriotic music.

If you have not yet had the opportunity to make a donation, it is not too late. Please send your donation to:

LIA Women's Club

The women have added flowers at both entrances to add some color for the summer. A new window was installed at the front entrance and another one will be added soon. A new children's picnic table will be available for our "younger" visitors. It is made completely from recycled materials. The monies we make from our different activities that you support help to buy the new things around the lake. Thanks! Game nights are now on Thursdays so more people can attend. If you're looking for someone that plays cards or bridge, check out game night and get one organized. Exercise on Tuesdays, except for the 3rd Tuesdays when the women meet. Come see what it's about at either 9 AM, 10 AM or both.

Annual Membership Meeting Elections

The annual membership meeting was held Saturday, May 21, 2016. Incumbent Darrell Aders will remain President. We welcome our two new board members – Perry Draper and Bob Jansen who will fill the vacancies of retiring officers, Bill Willis and Vicky St Peter. We extend our thanks to them for their past services.
